Bridleway

Byway

Footpath

Plan Boundary

Broad Hinton / Bicknoll Castle

Circular route from Broad Hinton up to Bicknoll Castle and back along the Broad Town White Horse escarpment.

Several stretches are footpaths limiting access for horse riders.

Vize Lane / Clyffe Pypard

Circular route from Vize Lane, down towards Clyffe Pypard and then back towards Winterbourne Bassett.

Limited passing points on single track unrestricted road to the northwest of Winterbourne Bassett.

Vize Lane / The Whettles

Circular route from Broad Hinton, along Vize Lane, down towards Winterbourne Bassett and then back along The Whettles.

Limited passing points on single track unrestricted road to the northwest of Winterbourne Bassett.

Uffcott / Ridgeway

Circular route along BHIN18, along the Ridgeway and back down BHIN24 and BHIN19.

BHIN18 climb to Ridgeway is unsuitable for horses due to deep ruts caused by 4x4s and BHIN24 classified as a footpath.

BHIN18 is dangerous for vulnerable users due to frequent HGV access to airfield.

Bridleway BHIN19 is across a planted field.

Winterbourne Bassett / Ridgeway / Broad Hinton

Circular route from Winterbourne Bassett, up to and along the Ridgeway to Hackpen Hill, down to Broad Hinton and then across The Whettles.

Crosses A4361 on unrestricted stretch and at La Strada.

Broad Hinton / Vize Lane / Berwick Bassett / Winterbourne Bassett

Circular route from Broad Hinton along Vize Lane, Yatesbury Lane to Berwick Bassett, back via Winterbourne Bassett and The Whettles.
